VCPA Fall Membership and Training Meeting
Neighborhood Watch Toolkit Training - National Sheriffs Association
October 19 - 20, 2006
Richmond Police Academy

The 2006 VCPA Fall Membership and Training Meeting is scheduled for October 19 from 8:00 AM to Noon at the Richmond Police Academy. The purpose of the meeting is to provide an additional opportunity for the VCPA membership to meet and share ideas and network with other crime prevention practitioners. The meeting will include crime prevention training, an overview of the 2007 VCPA Crime Prevention Conference and VCPA and DCJS activity updates.

The training will be followed by the new Neighborhood Watch Toolkit training course which will be presented by the National Sheriffs' Association. This training is designed to build the capacity of law enforcement officers assigned to work with community groups by providing specific instruction on the Neighborhood Watch Toolkit. The course will increase participants' skill levels by teaching them the proper utilization of the tools and the most effective methods of maximizing the Toolkit's value for their citizens and communities. Each attending law enforcement agency will receive one of the Neighborhood Watch Tool kits which includes: 5 CD's, 5 posters, 2 games pieces, 3 flip books and 3 brochures/booklets. Please note, the National Sheriffs' Association is currently limiting distribution of the Toolkit to law enforcement agencies that attend the Toolkit training course.

The registration fee for the two day event is \$40 for VCPA members and \$80 for non-members, \$20 per day VCPA member and \$40 per day non-member. Lunch will be provided each day. The training is approved for 16 hours of DCJS in-service law enforcement training credit.
